

## LEWIS & CLARK ACADEMIC AWARDS & FELLOWSHIPS: Fellowships of Interest

Below you can find a list of awards, arranged according to when their deadlines typically happen during the academic year, that may be of general interest to outstanding L&C students.

A conversation with a fellowships advisor can help students to learn about other awards that may suit their interests.

Check awards websites for up-to-date information on eligibility and application requirements as well as this year's deadlines.

Awards that include a campus application deadline require a campus application for further consideration.
