

Alumni Weekend, June 26-29, 2025

Dear (Salutation),

It seems like just yesterday you were playing hide-and-go-seek and having late night parties at “Hotel Odell”. In reality, 35 years have gone by since you last played volleyball during a classic Portland snowstorm in the Forest gardens. However, now you have an opportunity to come back to your L&C roots! We hope that you will join us on campus for Alumni Weekend, **June 26-29, 2025** to celebrate your reunion.

Choosing Lewis & Clark was an initial step in choosing your destinies and identities; this summer will offer the opportunity to rediscover what brought you to L&C. Come back to campus in June to gather with people with whom you have a shared history, and relive all the laughs with your fellow classmates

This reunion celebration is a great way to reconnect with old friends and see the changes on campus. It's also a great opportunity to re-explore Portland, as a lot has changed! Make sure to visit the [Alumni Weekend website](#) to get all the details. Visit the [class of 1990 website](#) for details about our events.

We look forward to seeing you in June!
