

"My semester in Granada was the most enriching experience of my college career. It greatly improved my Spanish language skills and cultural knowledge in addition to all of the exciting travel adventures I went on!"

"I'm very happy with my internship experience... I was exposed to a part of Spanish culture that was not at all touristic, ...it allowed me to give back to Granada, which had given me so much."

Your Life in Granada

Students live with Spanish families or Señoras (host mothers), usually within walking distance of the ILACA Granada Center and the CLM. Students live in pairs with each family. The CLM offers various opportunities and activities for students, including:

- Theatre workshop
- Guided walking tours
- Regular musical recitals and flamenco shows
- Films in Spanish, French, English and the other languages taught at the CLM
- Sporting activities such as hiking, mountain biking, swimming, football and basketball

Financial Assistance

Contact your study abroad advisor to find out specific cost information for your university. In most cases, all existing financial aid, grants and loans can be applied to the cost of the program.

Semester Program Fees Cover:

- Tuition
- Course materials
- DELE exam costs
- Excursions
- Double-occupancy homestay
- All meals
- Medical insurance
- On-site orientation and support
- Pre-departure support
- Visa courier fee

Airfare, other visa costs and personal expenses are not included.

Academic Credit

All courses offered in Granada are recognized and approved for academic credit by member institutions of ILACA. Actual credit amounts are determined by the relevant department at your university in consultation with the study abroad office. Check with your study abroad advisor for more information.

- Whitworth University
- Willamette University

"Being abroad in Spain will always be one of my most memorable college experiences and I highly encourage all students to consider it."

 WILLAMETTE UNIVERSITY | International Education

willamette.edu/go/granada

Complement your language study and gain valuable experience with credit-bearing service learning or internship opportunities.

In Granada you will find yourself immersed in a city with a deep and interesting history, a modern flair and old world beauty.

At the foot of the Sierra Nevada mountains, Granada's jewel, the Alhambra, watches over the city. During the day you will dive into the Spanish and Granadan language and culture through courses, museum visits, cultural events and interactions with your host family. Through the evening you will continue your cultural and language immersion as you chat with some of the many thousands of university students, relax in a café or tapas bar, or simply sleep and dream in Spanish.

Program Overview

The Granada program is available during fall and spring semesters. Courses are taken at the ILACA Granada Center and the University of Granada's modern language center, El Centro de Lenguas Modernas (CLM). The CLM provides Spanish language courses to students from around the world taught by experienced professors in a beautiful and traditional facility. Each semester begins with a comprehensive orientation program followed by an intensive Spanish language course (Intensivo). After Intensivo, students choose, depending on language ability, from a variety of topics courses taken at the ILACA Granada Center or at the CLM.

Fall Semester

The fall semester begins in early September and concludes mid-December. The intensive month of Spanish ends in early October and topics courses begin. Advanced level students enroll in two mandatory courses and choose two or three topics courses. Upper-Intermediate level students enroll in three mandatory courses and choose one or two topics courses.

Spring Semester

The spring semester begins in early January and concludes during late May. The intensive month of Spanish ends in early February and topics courses begin. Advanced level students enroll in two mandatory courses and choose two to three topics courses. Upper-Intermediate level students enroll in three mandatory courses and choose one or two topics courses.

Intensivo

Fall and Spring (Mandatory)

The Intensivo helps students transition into total Spanish immersion and prepare for topics courses.

Development of Spanish Cultures: A Pluralistic Approach

Fall and Spring (Mandatory)

This course, designed specifically to augment student knowledge of history, art and culture, is organized by the resident site director.

Introduction to Hispanic Literary Studies Spring Only

A professor from one of the ILACA institutions will teach this specially designed course, which focuses on major genres of Hispanic literature through close analysis of selected masterpieces. This course develops critical reading skills and written analysis in Spanish.

Practical Experience

Students may choose a 45-hour internship, service learning or volunteer experience in business, education, health care and social service agencies. Placement options may vary depending on language level.

Topics Courses

A placement exam determines your level for Language and Topics Courses. CLM courses meet four hours per week.

Advanced-Level Students (Estudios Hispánicos)

In addition to the required Development of Spanish Cultures and Speaking & Writing Skills courses, choose two or three of the following:
