1

Click [HERE](#) to fill out the Overseas Registration and Ballot Request form (FPCA) through the US Vote Foundation.

2

Send the completed form to your election office. If you plan to vote in AL, AR, CA, CT or NY you will need to print the form and send it by mail. Otherwise, you will most likely be able to send it online. The US Vote Foundation website will instruct you. Click [HERE](#) to view your state's deadline for this task.

3

After a couple of weeks, you may want to contact your election office to confirm that your form has been received. Click [HERE](#) to find your election office.

4

You should receive your ballot at least 45 days before an election. Click [HERE](#) to track your ballot.

5

Follow the instructions to vote and return your ballot! Click [HERE](#) to view your state's deadline to return your ballot.

Visit the [Overseas Vote Foundation](#) for additional information about this process.
