Parents and Family Preview August 28-29, 2024

Parents and Family Preview takes place on the first two days of New Student Orientation. Parents, family, and friends are welcome to take campus tours, eat in the dining hall, assist students with move-in, and participate in special programming just for them.

The cost of attending is \$50 per person for parents and family members, which helps defray the cost of lunch on Wednesday, breakfast, lunch, and dinner on Thursday, in addition to incidental program expenses. There are options to buy extra meal tickets for friends and family hoping to join for just one meal. Children 5 and under are not required to register. You do not need to register your Lewis & Clark student.

If this registration fee presents a financial hardship for your family, please notify us at parents@lclark.edu.

In addition to Parents & Family Preview, we invite you to join or review our webinar series for students, parents and family members. Hear answers to the most frequently asked questions on a variety of topics.

Throughout student's time at Lewis & Clark, the [Parent Engagement Hub](#) is a great resource for announcements, event details, and campus information.

If you have questions about your student's orientation schedule, please call the First Year Experience Office at 503-768-7191, or email firstyear@lclark.edu.
