Parents: Important Financial Aid Information

11.28.24

Greetings from the Financial Aid Office,

It may seem a bit early to be thinking about next year, but we wanted to let you know about the process to reapply for financial aid for the 2025-26 year.

Important Notes & Helpful Hints:

- We expect the [2025-26 FAFSA](#) to become available by December 2024.
- The FAFSA is required and should be submitted by February 15, 2025, if your student wants to be considered for need-based L&C institutional and federal aid. Conversely, the FAFSA is not required if the only aid your student receives is a merit-based scholarship (Oregon Maple, Sequoia, Trustee, Dean, Faculty, or Pioneer), and it is the only aid they want to be considered for in 2025-26.

The 2025-26 FAFSA will collect information about your 2023 federal income. If a recent change has significantly reduced your family's income, please visit go.lclark.edu/changes. In addition, you can find more information about reapplying for financial aid on [our website](#).
