

THE L&C BUZZ

Hi, new student!

At Lewis & Clark College, we believe in the importance of creating a safe and healthy environment for all of our community members. As part of this commitment—and in compliance with state and federal law—we require all students to complete three online training modules: Sexual Assault Prevention, AlcoholEdu, and Hazing Awareness and Prevention.

You will receive an email invitation to start the courses in July, and you MUST complete them before August 31. Failure to complete these modules by the deadline will result in a hold on your registration for spring semester classes.

Note: If you have experienced trauma regarding sexual and/or interpersonal violence, instructions will be given about how to request an alternative option in the email introducing the training modules.

Immunization Dates

Another wellness-related task that you need to complete **before June 27**: entering your measles/MMR immunization dates in the Health Information Portal.

Reminder that you won't be able to register for spring classes until that task is done! Read the Student Health Center's wellness welcome letter for more information.

Webinar

This week, join the offices of Student Accounts and Financial Aid on **Tuesday, June 17 from 1–2 pm PDT**, to learn about online bill payment, Authorized Party enrollment, and settling your student account. There will be time for questions at the end. A recording of the webinar will be made available for those unable to attend.

Advice From a Current Student

“To be at a college that liberally supports its students’ passions and interests is quite literally the largest playground you can be in. So get in, have fun, and enjoy the breeze.”
