

## Overseas & Off-Campus Programs

### Application Checklist - Year in Munich Program

**2026-2027 Application Due Date:** January 26, 2026

Students applying to the Year in Munich program have a different application and admissions process than the students applying to other Lewis & Clark overseas programs. Your application will consist of some items for the Lewis & Clark Overseas & Off-Campus Programs office, and some items which will be sent to the host university (LMU) in Germany for review. It's important to understand that your ability to participate in the program is based on the admissions decision of the LMU. If you do not submit all of your application materials by the deadline, or if the LMU decides not to offer you admission to the program, you will be ineligible to participate. Please contact us in advance of the deadline if you have any questions about the application process or required materials.
