Self-Service – Plan and Search Using My Progress

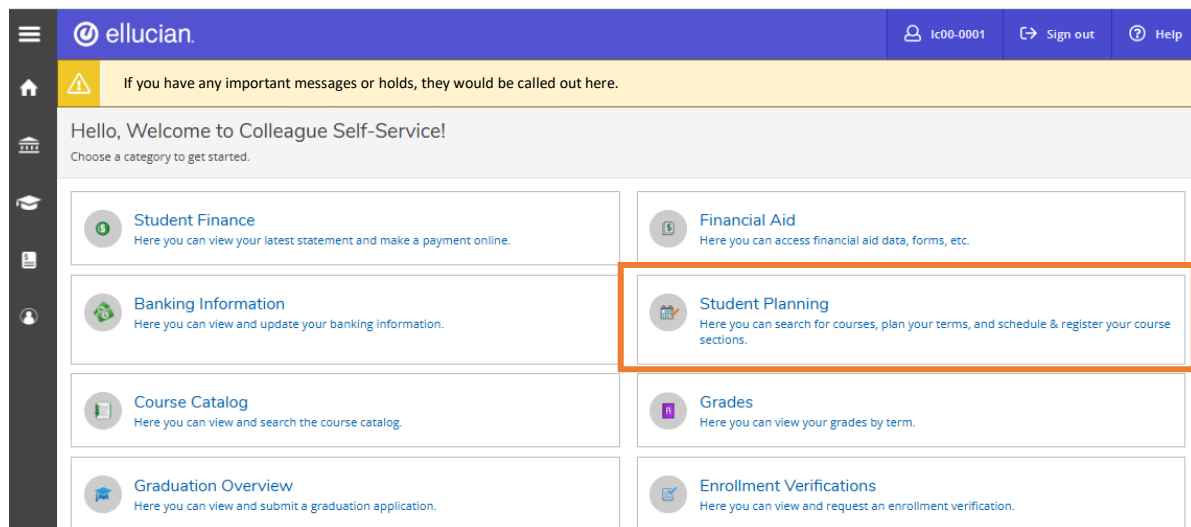

Search for sections

You can search for courses and sections that are required for your program, and register directly from **My Progress**. You **must** place a **Section** on your **schedule** to register for it.

- **Search for Courses to put on your Academic Plan:** Use **My Progress** to find courses that apply to your Major(s), Minor(s) and General Education, and place them on your **Plan**. Your **Plan** includes all the years normally required to complete your degree.
- **Search for Sections to put on your Schedule:** Available sections can be placed on your **Schedule** for an **upcoming** semester. (**Sections** are courses which have scheduled times in a given semester.)
- **Register for Sections:** During your priority registration time, register for **Sections** that you have placed on your **Schedule**.
- **View your Timeline:** Navigate between the semesters to see your full **Plan**.

Access **My Progress**: <https://lc-ssvc-02.lclark.edu:8083/Student>

- From the homepage, select the **Student Planning** tile, then select **Go to My Progress**.

If the course allows **grading options**, you can choose graded or P/F (CR/NC). **It is strongly recommended that you choose "Graded" unless you have received explicit permission from your advisor to choose the P/F option.**

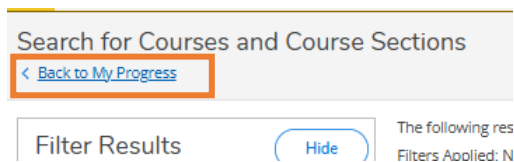

The **Requisites** are displayed. While you can put the section on your plan, you will not be able to register for a section until you have satisfied the prerequisite.

Click **Add Section**.

A notification message will appear at the top of your Self-Service window that confirms the section has been placed on your schedule.

You can repeat this process for all requirements that show on **My Progress**. When you are done placing courses or sections on your schedule for this requirement, return to **My Progress** or go directly to **Plan and Schedule** to see your **Schedule**.

IMPORTANT!!!

Adding a section to your schedule does not mean that you are registered yet. You must *register* at your assigned time or you will not be enrolled.

Symbols that you may see on a course section:

Additional fees may apply

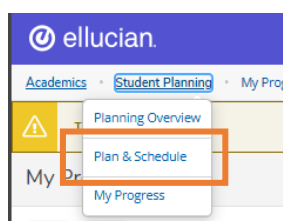

The course has a restriction – example: Sophomore standing (or higher) is required. See the *course description* for details.

Instructor consent is required.

To review your **Schedule**, choose **Plan & Schedule** from the **Student Planning** link.

Schedule

Your **Schedule** is one component of your Academic Plan. The other components include your Timeline, Advising and Permissions.

- Your **Schedule** displays a calendar for the selected semester (term).
- Your **Schedule** displays the **courses** that you planned for this term, as well as any **sections** which you placed on your schedule.
 - Remember that **sections** have scheduled times, but courses do not.
 - Sections will appear on the calendar in their scheduled times.
 - Courses will appear on the left side, and will allow you to search for available sections which can be placed on your schedule – and thus show up on your calendar.

The screenshot shows the 'Plan your Degree and Schedule your course' interface. At the top, there are navigation tabs: 'Schedule' (selected), 'Timeline', 'Advising', 'Permissions', and 'Law Exam Numbers'. Below the tabs, there's a search bar and a dropdown menu for the semester, currently set to 'CAS Fall 2026'. To the right of the semester dropdown is a '+' button to add another semester. Below the semester dropdown are buttons for 'Filter Sections', 'Save to iCal', and 'Print'. The interface displays 'Planned: 4 Credits', 'Enrolled: 0 Credits', and 'Waitlisted: 0 Credits'. On the left, a course card for 'IA-340-02: Internat'l Political Economy' is shown, including a warning icon and a note: 'ECON 100. - Must be completed prior to taking this course.' Below the course card, it says 'Planned' with a checkmark, and lists details: 'Credits: 4 Credits', 'Grading: Graded', 'Instructor: Abugbilla, E', '8/31/2026 to 12/16/2026', and 'Seats Available: 25'. There is a 'Register' button and a link to 'View other sections'. On the right, a calendar grid shows the days of the week (Sun to Sat) and times from 9am to 6pm. Two section cards for 'IA-340-02' are placed on the calendar at 2pm on Tuesday and Thursday. Callouts explain the following features:

- Navigation tabs – currently on "Schedule".
- Add another semester to your plan.
- Use arrows to move between terms.
- Information about the course, including prerequisites.
- The section that you placed on your schedule.
- You can remove the section from your schedule by clicking on the X.
- If you want to change sections, you can view other available sections of the same course here.

REMEMBER!!!

In order to register, you must have your sections planned and placed on your schedule for the upcoming semester (term).

Schedule – During the Registration Advising Period

- Before or during the Registration Advising period, add sections to your schedule for the upcoming semester. (You may have already placed a course on this semester, but you will need to find available sections.)
- There are **important** messages about registration on your schedule:
 - Be sure to obtain advisor approval to register.
 - Check your registration time.

The screenshot shows the ellucian student planning interface. At the top, the user is logged in as 'lc00-0001' with options to 'Sign out' or 'Help'. The navigation bar includes 'Academics', 'Student Planning', and 'Plan & Schedule'. A red alert banner at the top right states: 'YOU HAVE NOT YET OBTAINED ADVISOR APPROVAL TO REGISTER'. Below this, the main heading is 'Plan your Degree and Schedule your courses'. The 'Schedule' tab is selected, showing 'CAS Fall 2026' with navigation arrows and a '+' button. A blue banner below the semester selector states: 'Your registration period for CAS Fall 2026 begins on 4/8/2026 at 7:00 AM' with a 'Refresh' button. A callout box points to this banner, stating: 'Your registration start date and start-time for this particular semester is shown here.' Another callout box points to the red alert banner, stating: 'You must have advisor approval to register. If you do not, you will see this message.' The interface also shows 'Planned: 4 Credits' and 'Enrolled: 0 Credits'.

REGISTRATION TIMES - IMPORTANT!!!

You will have **two** registration times for the upcoming semester. The *first* one (which lasts from 7am to 4pm) will show initially on your schedule.

The second start-date and start-time will appear on your schedule *after* your first time period concludes.

You will also receive an email during the registration advising period which will list both times.

Before your registration time:

- Obtain Advisor Permission to Register
- Clear any holds on your account

Timeline

Your timeline shows the courses and sections which you've completed, registered for, or planned.

- **Completed:** you have completed the course and earned a passing grade.
- **In-Progress:** you are registered or preregistered for the course section in a specific semester, but have not yet completed the course.
- **Planned:** you have planned a **course** or **section** for a future semester, but have not yet registered for a **section** offered in a specific semester. Remember - you can plan **courses** for future years, but while courses are **typically** offered as specified in the catalog, there is no guarantee that a specific course **section** will be offered. Check **section** listings for a specific term as schedules become available. (Scheduled sections are typically posted only for the next academic year.)

Register for a section

When your registration time arrives, you may register for your planned sections in one of several ways. See the instructions below for the possible methods to register.

- [Registering using Quick Registration](#)
 - This is the easiest and quickest way to register. You will need to have Advisor Approval, and you must not have any registration holds.
 - This method is required if you intend to register during the first round for a lecture section with a separate lab and/or discussion section.
- [Registering using your Schedule](#)
 - This method may be more helpful if you want to view your schedule and/or select between multiple section offerings, or add new courses and sections to your schedule.

For more information about Self-Service Planning and Registering

See the Guides on the [Self-Service Planning and Registering website](#).
